

REGARDING YOUR INSURANCE

As always, Oxford Family Dentistry will be more than happy to assist you with your insurance questions and concerns.

However, due to the prolific number of new insurance companies and policies, we unfortunately cannot assume responsibility for your specific plans, coverage, deductibles, or annual maximums.

Please remember all insurance policies have exclusions, and most policies have deductibles and co-payments.

You will be better able to understand your personal plan's limitations by speaking with your dental insurance carrier directly, or by visiting their website before beginning treatment with our office.

Don't hesitate to call with any questions that you may have, as we will assist you in any way we are able.

We remain pleased to be your partners in your health care—
